**NEW LIFE HIRES JEREMY VICKERS**

Mt. Laurel, New Jersey – New Life Management & Development, Inc., a national developer specializing in planning, developing, marketing and management of high quality retirement living communities, announced the hiring of Jeremy Vickers as Vice President of Project Development.

“Jeremy will use his keen ability to interface with all levels of sponsoring, governing and regulatory organizations to coordinate and lead the planning and implementation process for successful project development, making him invaluable to our clients and an important member of the New Life team,” said John Gray, Senior Vice President. “Jeremy will coordinate and lead project professionals through the planning, financing, marketing, design and construction process, develop and maintain schedule requirements, and identify and secure all required project approvals and permits.”

For 13 years, Jeremy served as the Executive Director and CEO for Waveny Care Center Network, in New Canaan, CT, and was responsible for overall management of an integrated geriatric healthcare network. Prior to joining Waveny, Jeremy held a number of senior healthcare management positions in New York State. He received an MS-Health Services Administration from Sage Graduate School and BA in Economics from Hartwick College. He has a Nursing Home Administrator license in New York and Connecticut, is a former adjunct faculty member at Sacred Heart University, served on the Board of Directors of the Connecticut Association of Not-For-Profit Providers for the Aging, and was a member of the House of Delegates for the American Association of Homes and Services for the Aging in Washington, DC.

New Life Management & Development, Inc. is headquartered in Mount Laurel, New Jersey, with regional offices throughout the United States. For more information about New Life, please visit [www.nlmd.com](http://www.nlmd.com) or call 856-914-9111.
